

SPECIALIST CONSTRUCTION CONSULTANCY

# Specialist support across the project life cycle.

From a defensible programme to the resolution of delay, claims, and disputes — clear, objective advice for contractors, consultants, and project owners.

## — OUR SERVICES

### 01 Planning & Scheduling

Development, review, recovery, and optimisation of project programmes.

### 03 Claims Management

Preparation, assessment, and defence of extension of time and disruption claims.

### 05 Project Controls Advisory

Monitoring, performance reporting, and schedule governance that keep projects on course.

### 02 Delay Analysis

Forensic analysis to identify, quantify, and explain project delay.

### 04 Contract Management

Managing risk and preserving entitlement across the project life cycle.

### 06 Dispute Resolution Support

Support through negotiation, adjudication, arbitration, and beyond.

**20+** YEARS EXPERIENCE

**6** DISCIPLINES
